Monthly Operating Report for October, 2012
October 1, 2012 – October 31, 2012
Comments/Disclaimer**

The additional financial information other than cash activity recorded in this Monthly Operating Report was prepared based upon the books and records of ELC that the Trustee and his representatives have been able to locate. The Trustee cannot vouch for the completeness and/or accuracy of the ELC books and records located to date. Therefore the additional financial information other than cash activity recorded in this Monthly Operating Report may be inaccurate or incomplete and may suffer from material omissions. In addition, nothing on this Monthly Operating Report is or is intended to be an admission of the Debtor's Estate or the Trustee and all data reported herein remains subject to further review, correction, or re-statement.

Accounts receivable balances in October have been adjusted to reflect settlement payments received in September and October.

During the month of October, two of the remaining four employees were terminated and the corporate offices in New Albany, IN were moved to a temporary office facility in Louisville, KY. This should result in a significant savings going forward, although there were some costs incurred to facilitate the relocation.

At the present time, it is anticipated that the temporary office will be needed for an additional six to twelve months as the staff supports ongoing litigation.
